

N-EAMA Economics and Management

ENLZMLA Human Resources and International Leadership Track

European
Council for
Business
Education

Graduate profile:

Graduates of Economics and Management with Human Resources and International Leadership track will be equipped to address and solve various socio-economic issues associated with human resources management in organizations or at a society-wide level. Graduates are prepared for middle-level or top-level managerial positions in the public and private sector or to work for multinational enterprises. Among their tasks will be analysis and development of work relationships and management of human resources. Their roles include also management design and implementation of policies into an organization's processes.
